Step 5 of 7 : Security Settings

Purpose of Security Picture

The security picture and label add an additional level of security.

Please select a picture from the images provided and create a label. Your label may be 1 to 15 characters in length.

How It Works

When you are asked to supply your password, your selected picture and label will be displayed on the login page.

If you do not see this picture and label while supplying your password, the page you are logging into may be another site trying to gather your password from you.

Unless you see your chosen picture and label, do not supply your password.

If you notice anything suspicious, email us at kmcmillen@howardleasinginc.com.

Choose your Security Picture and Label then click Next

Step 6 of 7 : Security Question

Choose a Security Question and Answer

Question: Best Childhood Friend? ▾

Answer: Lara Croft |

Next

Purpose of Security Question

The security question adds an additional layer of security. The following are instances of when you will be asked to supply this answer:

- During a first time login from a new computer to register your secure picture
- During the recovery of a lost password

Recommendations

- Choose a question that has an answer you will not forget.
- Choose a question that cannot be easily determined with research.
- Your answer must be between 1 to 50 characters in length.
- Your answer is not case sensitive.
- Blank spaces will not be used as part of the answer verification.

Choose a Security Question and Answer then click - Next

****Remember****
Security Answers are Cap sensitive

Step 7 of 7 : Validation Credentials

I am accessing:

- My Employee Information Only
- Supervisor or Third Party Information

Enter Validation Credentials

Validation Key: APPL6789

Birth Date: 01/01/1980 |

Accept Skip

What is a Validation Key?

The validation key is used for security purposes and is the link to your account information. Your birth date is also used as an additional layer of validation.

Where do I get the Validation Key

The validation key is the first four letters of your last name and the last four digits of your SSN.

Your validation password is your birthdate in mm/dd/yyyy format (including the slashes).

If your last name is less than 4 letters please type in your full last name.

Please contact kmcmillen@howardleasinginc.com or call 941-761-7704 if you need further assistance.

To continue please do one of the following:

- Input your validation credentials and click the button labeled "Accept."
- Click the button labeled "Skip" to enter these credentials at a later time.

Validation Key = (IN CAPS) First 4 letters of your last name and the last 4 of your Social Security number

Validation Password = Your 8 digit date of birth. Example: 01/01/1980 you will need to use forward slashes between the numbers
